INVITATION TO ALL
EVERYONE IS WELCOME

End of Regular Season!

*A message from Denis Marchand,
Coach Mentor - President (613-229-2948)*

Congratulations to all our teams for the strong efforts' throughout the regular season. It goes without saying that each division can only have one 1st place thus, a special shout-out to **Bantam C1 & C2** who tied for first place, **Peewee C2** and **Midget B3's** first place finishes. It is a long regular season and we have all witnessed some fantastic hockey at all levels. It is truly amazing the level of skill, and team tactics that I have witnessed since the start of our season. Great job coaches and players!

Upon completion of our regular season I would like to take some time to thank all our volunteers who have ensured that all our sons and daughters have had a safe and enjoyable regular season. The work that each and every one of you have put into; planning practices, organizing tournaments, traveling to tournaments, organizing exhibitions games outside our district, team parties and outings etc. Thank you all for your efforts and the lasting memories for the kids.

Now we start our playoffs...and what an exciting time this is for all players and parents. Let's continue to support all participants with plenty of positive cheering. A good sport is one who demonstrates sportsmanship on and off the playing surface.

Finally, I would like to thank everyone who has supported me as President for the past two seasons. I have enjoyed my tenure as CHA President and taken much pride in representing our constituents at all levels of minor hockey over the past two seasons. There is much work to be done running a successful minor hockey organization. This cannot be achieved without the continued support of its members. Thus, as I move on as CHA President I encourage each and every one of you to consider volunteering with the CHA. There are many positions out there other than coach and manager that contribute greatly to an enjoyable hockey experience for our kids, if anyone would like to meet and discuss, I know a place in the neighbourhood that serves fantastic pizza and wings.

Yours in Hockey,

Denis Marchand

All in a week's work: The Pee wee C2 Black Knights win Regular Season Championship and Advance to Finals in Blackburn Hamlet tournament!

PEEWEE C2 Black Knights, HEAD COACH - Ed Lucktar

On Wednesday night (January 26th) the team clinched the Regular Season championship for the Pee wee C level with a 3-1 win over the South End 2 team. The following night they began the Blackburn Hamlet Pee wee C tournament with a hard fought 3-2 loss to the Russell Warriors. On Saturday (January 29th) the Black Knights played two games needing to win both games to have a chance to advance to the Playoff Round of the tournament.

In the early game facing a stubborn Leitrim C2 team, Troy Jarrett netted the only goal of the game for the Black Knights and Atom C affiliate goalie Nicholas Tsekrekos, subbing in nets, closed the door the rest of the way for a 1-0 shutout win. In the later game of the day Nich Damphousse led the way with two goals as the Black Knights upended the Stittsville Spartans 3-1. The Black Knights then had to await the results of other round robin games but luck was on their side with the team squeaking in as the Wild-Card team for the semi-finals.

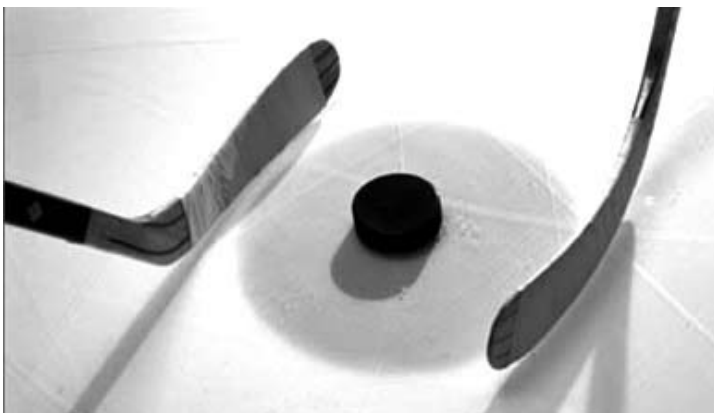

Next up on Sunday morning (January 30th) was the Russell Warrior team which the Black Knights had lost to in their first game. The Canterbury team jumped out to a quick lead with goals by Zach Luctkar and Nich Damphousse only to have Russell answer back with two goals of their own. A five-minute four on four overtime period solved nothing and the two teams went on to a shootout. The thrilling shootout was not decided until the tenth shooters with Black Knight defenceman Miriam Doyle scoring the winner. Black Knight goalie Ahmad Mazloun allowed only 2 goals in 10 shootout attempts to help secure the win. It was now on to the Finals for the Black Knights against a strong West Carleton Warriors team who were 4-0 so far in the tournament. Halfway through the game the teams were

still deadlocked 0-0 until a couple unlucky breaks and bad bounces led to West Carleton goals. Despite a valiant effort, a goal post hit and some good West Carleton goaltending the Black Knights could not close the gap and West Carleton added on two more goals in the third period to secure the victory.

The Canterbury Pee wee C2 team officials would like to congratulate all the Black Knight players for a great week not to mention a great season of hockey.

Team Members: Ahmad Mazloun, Riley McGuire, Vince McDonald, Kyler Duperron, Miriam Doyle, Anne-marie Marchand, Nich Damphousse, Justin Gencher, Michael Saikaley, Zach Luctkar, Christian Thut (injured), Nico Gribbons, Troy Jarrett, Fares Zeiti plus Affiliate players Ben Diguier and Nicholas Tsekrekos.

Before the first game of this year's Bell Capital Cup, a local team stepped up to display the kind of sportsmanship, compassion and hospitality that has become a hallmark of this tournament.

The major atom A Houston Wild started planning a year ago to attend the tournament, which began in earnest Thursday across the region, and they made arrangements for everyone to fly in on the same flight.

As it turned out, six members of the team made alternate arrangements to meet the team in Ottawa as they were visiting family in different parts of North America for the holidays. They arrived in Ottawa with luggage, and hockey equipment, in tow.

The rest of the group was supposed to fly from Houston to Newark then on to Ottawa, but only one family was advised in advance that the Newark flight had been cancelled. As a result, everyone scattered to get to town. And while everyone made it, with one family even flying through Vancouver, the equipment did not.

With the team scheduled to play an exhibition game Wednesday, a cry for help was sent out by BCC general manager Matt Bennett, and the atom B Canterbury Knights came forward.

"We made calls out to the team and without question seven people, without question,

where he works as a conference service manager, and met with people from the Wild to get it delivered.

The Wild were more than happy with the turn of events after the travel nightmares they had endured.

"It was just outstanding that they were going that extra mile," said Wild head coach Paul Veillette. "It really showed what Canadians will do to help people out."

They only had five kids fully equipped in their first game. Now there is only one player with borrowed equipment while three more were outfitted by Play It Again Sports.

The Wild aren't the only ones who to gain something from the experience though,

The Knights also got a chance to help out and learn that the tournament is more than just games on the ice.

"It makes me feel very good. That's why I wanted to go with my dad to get the

said 'Yup you can use my son's equipment,'" said Knights manager Arnold Mc-Lean, who took his son Jackson to collect the equipment.

He then brought seven complete sets of equipment plus sticks to the Chateau Laurier,

equipment," said Jackson McLean, the team's goalie. "I think they feel great too, excited and happy."

Teammate, Cameron Ritchie, was just as excited.

"I wanted to help even though I didn't know them," Ritchie said. "It made me feel pretty good, because I know it would feel good for us if someone had lent us their equipment so we could play."

On the ice things haven't worked out quite as nicely for the Wild as they played to a 3-3 tie in their opening game of the tournament before falling 5-4 in their second game, both on Thursday. For Lincoln Hattan though, the generosity of the Knights has stood out for him and his teammates.

"I think it was great. If we didn't get that support nobody on our team could have played," said Hatten, who has six goals in two games, including four in the 5-4 loss.

The Wild have a day off from action today but are planning a snow day with skiing and tubing at Mount Pakenham. They are also hoping to be able to meet the Knights' players who were so gracious, but the teams play in different divisions so timing may not allow for it.

Either way, new friendships were forged, whether the kids ever meet face-to-face.

Players and friends of Atom C Lightning

Declan on a sugar high

Canterbury Lightning Rock the Civic Centre

After finishing their final game of the regular season earlier in the day, the Atom C Lightning came together with friends and parents to watch the Ottawa 67s on February 6. Fuelled by too much sugar, the team cheered the hometown 67s to a convincing 4 - 0 win over the London Knights. Enthusiastic cheering was heard from section 3 as the CHA Initiation players took to the ice during the second intermission. The sheet of ice was awash in what looked like hundreds of buzzing bees looking for a puck to put into the net. Canterbury players and volunteers were well represented and seemed to enjoy the many familiar faces during the fast paced hockey game.

What a great way to celebrate the end of the regular season and the start of the playoffs!

REMINDER about Team Travel Permits

ODMHA Team Travel Permits are required for travel by teams for tournaments and/or games outside of the ODMHA boundaries. These boundaries are illustrated on the ODMHA website. As a reminder, District K which includes **Kingston is no longer a part of ODMHA**. Consequently, travel permits are required to participate in Kids for Kids or any other Tournament in the Kingston area. In addition, travel to the US requires both the ODMHA Team Travel Permit and the USA and Hockey Canada Travel Permits. Both these permits can be found on the ODMHA website under Forms.

Contact our registrar at registrar@canterburyhockey.ca for a signed blank copy of the ODMHA travel permit.

Equipment Return

Do you still have pucks, cones, jerseys, first aid kits or goalie equipment? All equipment owned by the association needs to be returned so we can prepare for our next season. During the summer months we complete an inventory and repair, clean, and sort the equipment for next year's teams. Since equipment is replaced over the summer in preparation for the upcoming season – thank you for helping us keep costs down by returning your equipment on time.

Please return all outstanding equipment by June 1st to the following members of the CHA executive:

Pucks, Cones, Jerseys, Water Bottle Holders: Equipment Director, Ron Ridley 613-523-8548

All Goalie Equipment:
Goalie Equipment & Development Director, Marc Lafontaine 613-523-9151

Federal Children's Fitness and Ontario Children's Activity Tax Credit Receipt for 2010

For the 2010 taxation year, there are two tax credits that parents may be eligible to claim for their child's participation in the CHA hockey program.

- **Federal Children's Fitness Tax Credit:** The Government of Canada allows a parent (or step-parent) to claim **the lesser of (i) \$500.00 and (ii) the amount actually paid, for "eligible fees"** paid by parents to register a child, who is under 16 at any time during the 2010 calendar year, in an eligible program of physical activity – one that has a minimum of one session per week for eight (8) weeks – such as a hockey program.
- **Ontario Children's Activity Tax Credit:** Beginning with the 2010 taxation year, the Province of Ontario allows a parent (or step-parent) who is a resident of Ontario to claim **the lesser of (i) \$500.00 and (ii) the amount actually paid, for "eligible fees"** paid by parents to register a child, who is under 16 at any time during the 2010 calendar year, in an eligible program of activity – one that has a minimum of one session per week for eight (8) weeks – such as a hockey program.

The Tax Credit Receipt for 2010 for eligible players will be issued through your team manager by the end of February 2011. Although you will not need to submit the receipt issued to you by the CHA when you file your 2010 tax return, you will need to keep your receipt in case the Canada Revenue Agency asks for them when verifying your claim. Receipts should be kept for six (6) years.

Only the basic registration fees are considered eligible for the Children's Fitness/Activity Tax Credit based on our interpretation of "eligible fees". The amount paid for the Ottawa 67 tickets and late fees, if any, are not eligible for the Children's Fitness/Activity Tax Credit. If a family discount was received for 3 or more children registered with the CHA, then this discount would have been deducted from the basic registrations fees otherwise payable.

A Message from the Canteen Manager

Iris Pelland (613-523-7540)

In addition to confectionery items, the Canteen at the Kilrea Arena sells skate laces in three sizes – 96", 108" and 120" – as well as hockey tape (black, white and clear), mouthguards and neck protectors.

The Canteen also has a supply of Canterbury lapel pins available for sale at the following prices based on the quantity purchased.

Purchase Quantity	Price per Pin
1 to 5	\$ 2.50 each
6 to 15	\$ 2.35 each
16 to 30	\$ 2.20 each
31 to 49	\$ 2.10 each
50 or more	\$ 2.00 each

These are ideal for gift exchanges at out-of-town tournaments.

In addition, the Canteen sells mock neck shirts in the following sizes: Youth Small, Youth Large, Adult Large, and Adult XXL – for \$20.00 each.

We also anticipate receiving a supply of Canterbury water bottles (\$2.50 each), hockey socks (\$10.00 each), and ball caps and/or toques (\$15.00 each) in the near future.

Please support your Canteen as all profits are used for the benefit of the Association.

Playoff Reminders

As we prepare to start our playoffs, here are a few reminders on points that are sometimes confusing.

- In your 4 game round robin, ties stay as ties. One point per team.
- Game ends when Zamboni comes on, like it or not. Technically you get 50 minutes to play, as per normal, but there is no point complaining if the timekeeper, the clock on the wall, and the Zamboni driver have slightly different "exact times". We all just have to live with it.
- If a team advances past the round robin, into elimination (sudden death) games, then you absolutely will finish every game regardless of the Zamboni. Slush ice will be provided in case a game runs long.
- Home team must still provide the scorer and timekeeper.
- Tie breaker rules for round robin should be on the web site shortly. First tie breaker is still head to head. (if applicable)
- Please show respect to the referees and all hockey volunteers. Things will never be perfect, but the BMHL is 157 teams with far too few volunteers, so let's all try to stay positive.
- Please be assured that there is a model which dictates who plays who in any particular round robin. For example, in an 11 team division, teams finishing 1-4-5-8-11 play together while teams 2-3-6-7-9-10 play together. The point is that no committee sat in a room and flipped coins to determine who played who. And no committee decided to make things hard for any team for their amusement. We can't possibly explain the whole thing but it was determined by where a team finished. A large # of teams advance from every pool, so we can all have a good chance of moving into quarter finals, and maybe even semis or finals.
- No playoff games on either March break weekend, or of course, the weekdays in between.
- The emergency goalie rule still applies in the playoffs. If your goalie is sick or injured, you can use a goalie of the same level. (or an affiliated goalie if he still has games left of eligibility)

Good luck to each and every team. Should be exciting.

This year's family skate was held December 20, 2010 from 6:00 to 7:50, Kilrea Arena followed by the coach's games. As you can see, everyone had a great time.

Thank You!

Once again this year, Lorenzos Restaurant (on Arch St.) is a proud sponsor of the Canterbury Hockey Association. A donation of at least 5% will be given to the CHA based on the total amount of receipts (minus taxes) collected during the 2010-11 hockey season. To support this initiative, please deposit your receipts in a white box with the CHA logo located at the cash register at Lorenzos. The receipts will be collected on a regular basis.

A special thanks to Sam Karkache, owner of Lorenzos on Arch St., for his on-going support.
