

RISK MANAGEMENT MEMO

To: All House League Coaches and Managers
Re: Contact Tournaments

All District 8 House League teams wishing to enter into a contact tournament must hold a team meeting advising all participants of the risks involved.

- EVERY parent must be in full agreement for the team to participate. If one player is held back for safety reasons or concerns of contact, the team will not be permitted to attend.
- The Association VP of HL and the RM shall be notified of the team's intention.
- The RM will provide a "waiver" to be signed by all parents / guardians and returned to the Risk Manager
- A letter of permission will be provided if required by the tournament organizers
- Contact Clinics must be given to players prior to tournament

All questions should be directed to the Association's Risk and Safety Director

Rhonda Davis
Risk Management and Safety Director
